Camsa Captains & Cooks Raises Funds for Local Charities.

Halifax, NS – The Camsa Captains & Cooks third annual fundraising event set sail on Tuesday, September 12th, treating guests to an unforgettable experience while raising funds for three local charities. A fundraiser unlike any other in Halifax, attendees of the sold-out event cruised our beautiful Harbour aboard motor yachts and sailing vessels before enjoying a gourmet lunch prepared by premiere chefs from our city's best restaurants.

This year, Camsa Captains & Cooks had the honour of hosting some very special guests aboard a very special vessel. HON Lena Metlege Diab, MLA for Halifax Armdale and Minister of Immigration; Jamie Baillie, leader of the PC Party of Nova Scotia; and David Wheeler, provincial NDP candidate all came out to show their support for the event. As honorary guests, they were treated to a cruise aboard the HMCS Moncton, captained by Lieutenant Commander Hodgson.

“A huge thank you and a job well done! We had an amazing tour guide and captain,” says Nadia Levy, Sales Representative for Devonian Coast Wineries and proud Camsa Captains & Cooks in kind sponsor. “It was an incredible experience!”

Levy wasn't the only guest who had a blast at Camsa Captains & Cooks. “It was amazingly well organized. The harbour tour was great fun and the food was fantastic,” adds Diana Dalton. “What a great way to raise money and put on a first-class event. Thank you so very much. It was a highlight of my year!”

“Our business is trade finance industry, but our passion, and the passion of the Camsa team lies in supporting the community where we live and work. This year the proceeds raised from this event will go towards supporting three amazing charities,” says Carole-Ann Miller, President of Camsa Inc. (formerly known as Maple Trade Finance Inc.).

So, while every guest had a wonderful time, the real winners were the three local charities that were selected this year. 100% of all proceeds raised from Camsa Captains & Cooks will support Wee Care Developmental Centre, VETS Canada and Pathways to Education Spryfield.

Wee Care Developmental Centre helps the youngest and most vulnerable population in Nova Scotia with life-enhancing services for children with special needs. VETS Canada provides aid and comfort to homeless and at-risk Canadian veterans, helping them reintegrate into civilian life. And Pathways to Education Spryfield equips at-risk youth with the support they need to stay in school and achieve post-secondary success.

“As both a sponsor in kind and an attendee, it's one of my favourite events of the year!” concludes Phil Otto, CEO of Revolve.
